

Cat Character

Take from PepMelon Jumbo Box:

- 1 pom-pom
- 1 chenille stem
- 2 wiggly eyes
- 1 craft foam - cut out 3 triangular pieces

Have fun!

Step 1. - Wrap your chenille around your finger.

Step 2. - Glue 2 wiggly eyes on a pom-pom and the place the triangles to make mouth and ears. Hold the eyes and ears for 10 seconds, to fix them with the glue.

Step 3. - With a creative hobby glue or other paper or general glue stick, glue the pom-pom on the end of the wrapped chenille. Hold it firmly for 10 seconds

Step 4. - Twist the other end of the chenille, which is the tail of the cat. This will help to keep the character steady.
