

The Cutest Pompoms ever!

Glue the two wiggly eyes on the pomp, then push it on the self-adhesive star shaped craft foam.

Finally cut its hair (a chenille end or craft foam) and stick it on it. Do the same thing with its mouth too!

They are really cute!
Have fun!

Take from PepMelon Jumbo Box:

- 1 pompom
- 1 star shaped self-adhesive craft foam
- 2 wiggly eyes
- 1 chenille stem or 1 craft foam for

Techniques:
