

# Handmade Bookmarks

If you have some materials left over, never throw them away! You can easily re-use them! If your children are not great readers, these cute hand-made bookmarks will certainly make them feel like reading. Not to mention you!

Cut strips from the remaining craft foam. Stick on the ends of the foam a pompom or self-adhesive craft foam shape, or use a clothes peg.

## Take from the PepMelon Jumbo Box:

- pieces of craft foam
- pompoms, self-adhesive shapes

## Techniques:
