

Baby chick

All kids love baby chicks!
 You can do wonders with a chenille stem, a little piece of craft foam, and a clothes peg. Stick the eyes to the peg, then twist the chenille at both ends, as shown in the guide (one side should be smaller). Finally pull through the craft foam wings.

Have fun!

Take from the PepMelon Jumbo Box:

- 2 wiggly eyes
- 1 chenille stem
- 1 piece of craft foam
- 1 clothes peg

Techniques:
