

Halloween Branch

It's a bit scary, but it's just what you need now. One branch, two eyes, two red and one brown chenille stem. Very simple, yet funny. It's a great beginning for the Halloween mood.

Just wrap the chenille stems around the branch, and glue 2 wiggly eyes on it!

BOO!

Take from the PepMelon Jumbo Box:

- 2 wiggly eyes
- 2 chenille stem (brown, and red)
(arms: cut the brown one, the half chenille stem is enough)

Techniques:
