

# Festival masks

Cut out the mask shape from a craft foam, and decorate it from Jumbo Box. You can find the Mask cutting worksheet in the Jumbo Box, or you can draw it yourself based on your measurements. Use the distance between the center of the eyes to draw the mask in the right size.

For decorating, we used confetti, self-adhesive craft foam shapes, and rhinestones. You can find all these in one Box, in Jumbo Box. Start the 5th season, the festivals with us!
