

Joke / Riddle advent calendar - window decor

The simplest way to get the 30 stickers, self-adhesive craft foam shapes from the Jumbo Box, and stick them to the window in the shape of a comet. Write 24 questions on 24 small papers that are selected from 30 riddles on our blog. Write the answers to the previous question on the next day's paper. Fold them together, number them and stick them to the window with the help of the stickers.

- 30 pcs self-adhesive craft foam shapes

That's it, you don't need a glue, or a scissor for this awesome kids' room christmas decor.

If you have a big window, maybe you can buy 2 pcs of Jumbo Box.
