

Plant Pot Snowman - christmas DIY decor

Cut carrot shape from the orange craft foam. This will be the nose. Stick with the two eyes together on the plant pot. Stick the chenille stem to the flowerpot's contour. Stick the big red pompos to the top. Stick the little red pompoms as a mouths.

Turn the pot back, and glue the 3 black/brown larger pompoms.

That's it! There is a snowman flowerpot for you, which is a perfect christmas decoration on all sides!

Take from the PepMelon Jumbo Box:

- ca. 10 pcs of 2-4 cm pompoms (red)
- 4-5 pcs of 1 cm pompoms (red) (the smallest pompoms in the Jumbo Box)
- 1 glitter chenille stem (piepcleaner)
- 3 pcs of black/brown pompoms
- 2 wiggly eyes
- 1 craft foam (orange)
