

Pompom Place cards

There is no simpler way to mark seating when your family gets together.

Cut strips from the remaining craft foam. Stick on the ends of the foam a pompom or self-adhesive craft foam shape, or use a clothes peg. But yes, it's a pompom place card, so just use the glitter pompoms from the Jumbo Box. Write the names on the craft foam with a felt pen or gel pen. That's it!

Have fun!
