

## Advent Wreath decoration

Take a handful of self-adhesive glitter craft foam shapes, a handful of glitter pompoms, some clips, and chennile stems and start decorating! Glue the pompoms on the clips, and clip them on the wreath. Stick the craft foam shapes on the Wreath next to your traditional christmas ornaments and the 4 candles. You can use deco confetti too!

### Take from the PepMelon Jumbo Box:

- 2 glitter chennile stems
- 5 glitter pompoms
- 4 clothes pegs
- 10 self-adhesive craft foam shapes

### Techniques:
