

Santa Claus & Rudolph kitchen spoons

Take from PepMelon Jumbo Box:

- 11 pcs of small white pompoms
- 2 pcs of 2 cm pompoms (pink and red)
- 4 wiggly eyes
- 2 chenille stems (brown and gold)
- 1 red craft foam

Take from PepMelon Jumbo Box all the crafts in the list. Grab two old or new wooden spoons and cut out a triangle from the craft foam, that fits the end of their edges. This is the Santa Claus' hat. Stick the eyes to the them, the pink pompom to the Santa's nose, the red pompom to Rudolph's nose. Glue the white small pompoms of the Santa Claus. Cut the chenille stems into 6 pieces. Spin the four smaller ones over the longer two. Then stick them to the back of the wooden spoon (of Rodolph) at the ends. Amazing, isn't it? Rudolph and Santa Claus are ready for this Christmas. And you?
