

Sphere / ball template Christmas Ornament

Use the sphere template on the second page, cut it, draw around on some craft foams, and cut them too. Decorate the spheres with rhinestone, chenille stems, or maybe with deco confetti or with self-adhesive glitter craft foam shapes, which you also can find in Jumbo Box.

Every colors look great on a Christmas Garland or just single use and hang on the tree.

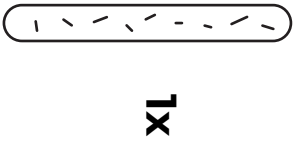

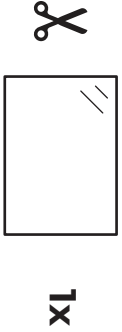

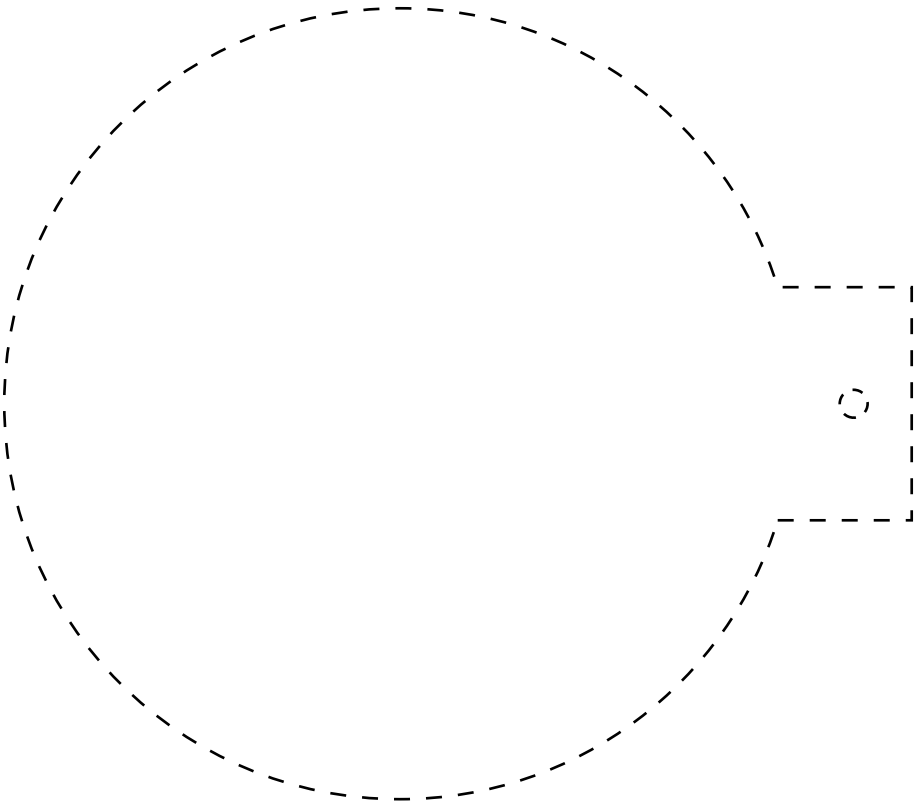

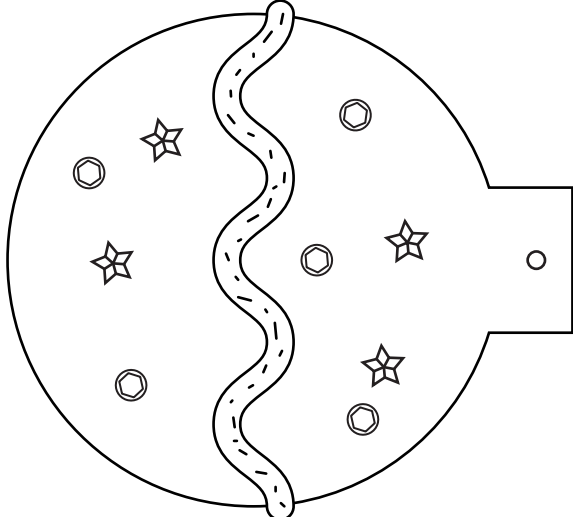

Take from PepMelon Jumbo Box:

- 4 craft foams
- a handful of strass stones
- 4 chenille stems

Techniques:

Christmas Ball Ornament
