

2019 New Year's Eve Glass Stick

Make a 2019 mask / eyeglass stick with kids for New Year's Eve. Cut the template on the second page. Draw around on a craft foam and cut it out. Decorate with the deco confetti from the Jumbo Box. Finally, glue to the end of the stick with one of the self-adhesive craft foam shapes.

Prepare to the party with fun!

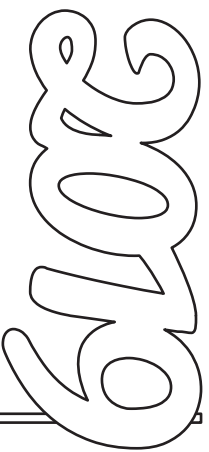

Take from the PepMelon Jumbo Box:

- 1 craft foam
- 1 self-adhesive craft foam shape
- a handful deco confetti
