

Cactus Bookmark

Just cut out the cactus shape from the second page template. Decorate as you like. Rhinestones, deco confetti, or even small pompoms or textile flowers can get onto your cactus. It's that simple.

Use it for your books to make reading fun!

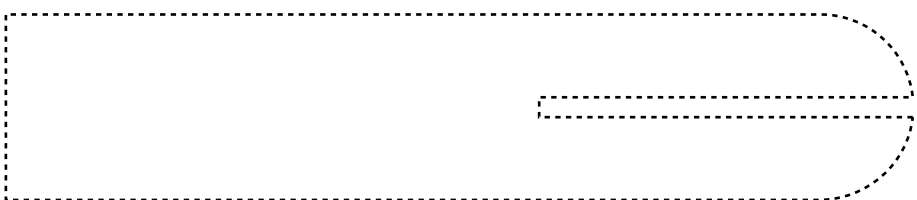

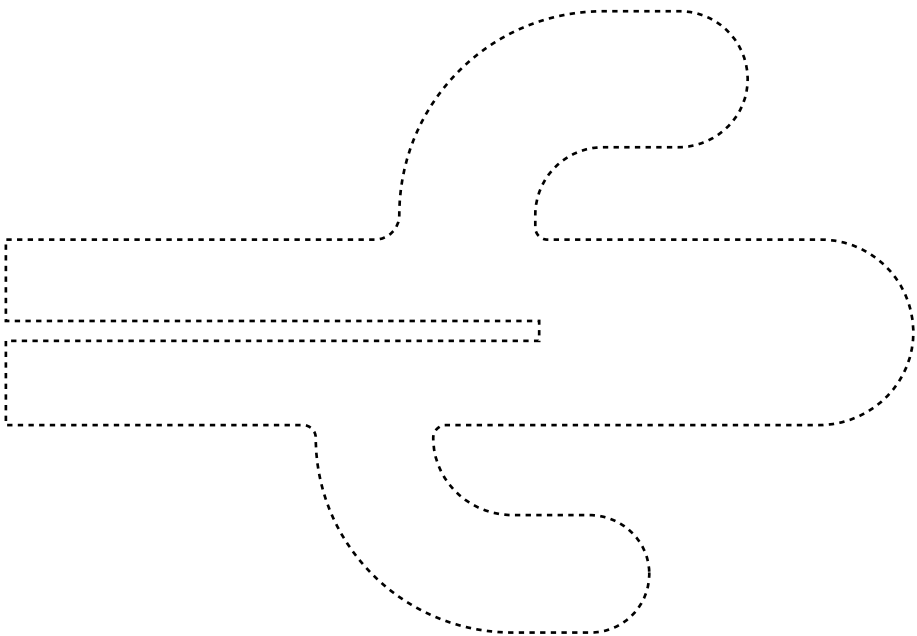

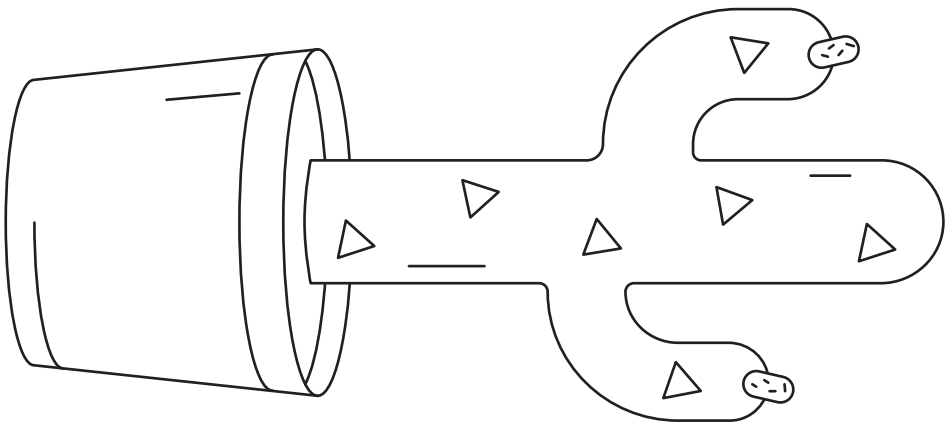

Take from the PepMelon Jumbo Box:

- 1 craft foam (green)
- 7-10 deco confetti or rhinestones
- 2-3 pompoms or flower fabric shapes
