

## Cactus Motivation /Todo Board with clothes pegs

Take 2-2 light and dark green chenille stems. Twist together a light and a dark, repeat with the other two and tie them together. Make a cactus shape, then hang upside down on your desk lamp. Clip your motivational pictures or your todo list with the colour clothes pegs.

Great idea for kids to remember the tasks!

### Take from PepMelon Jumbo Box:

- 4 chenille stems (green light and dark)
- 1 self-adhesive craft foam

### Techniques:
