

Cactus Valentine's Day Invitation Card

Cut out a cactus shape! Use our template, but first print it in a larger size. Cut it out, glue heart shapes of deco confetti, rhinestones or fabric shapes on it. Don't forget the wiggly eyes, and draw a smile under the eyes! Write the text of the invitation on the back of the cactus shape. Whether a party or a dinner, or what kids invent.

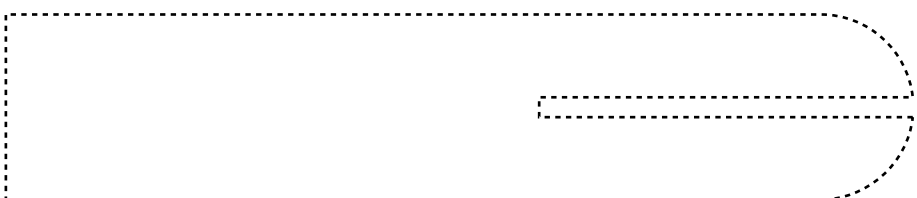

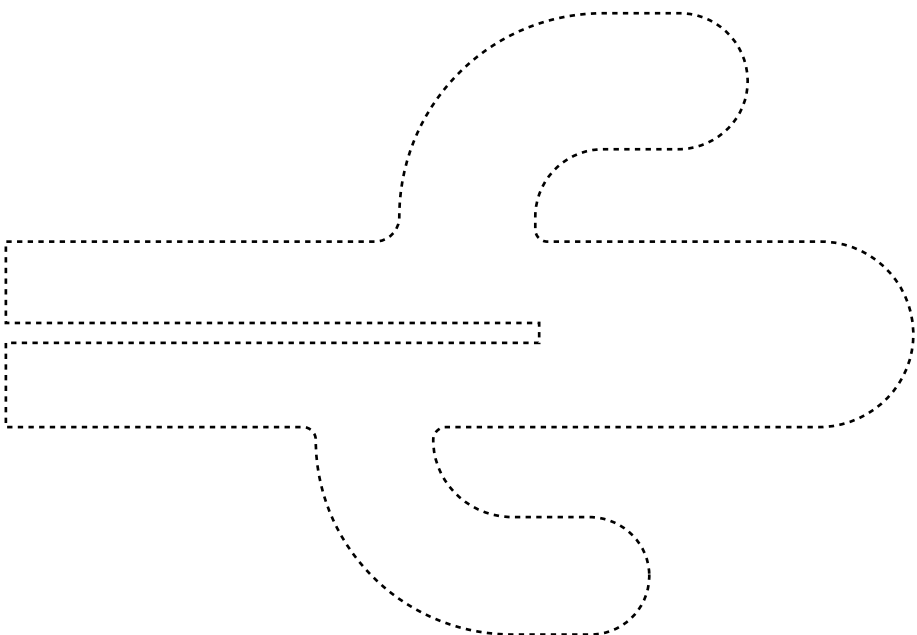

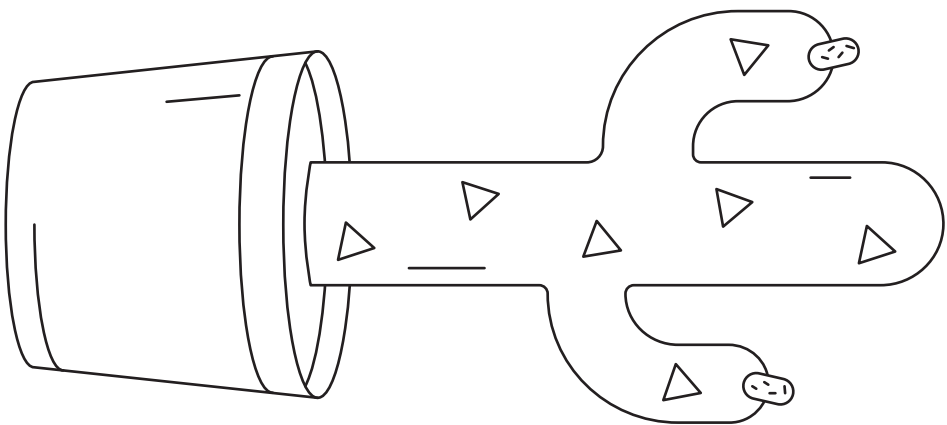

Take from the PepMelon Jumbo Box:

- 1 craft foam (green)
- 2 wiggly eyes
- 8-10 deco konfetti (heart shape)
- 2-4 rhinestones (heart shape)
- 1 heart fabric shape
