

Butterfly pricking template

Another spring butterfly, cutting, pricking and decorating. Cut the butterfly shape from the craft foam, prick the dots with a needle or even a pointed pencil. Finally, decorate with a few items from the Jumbo Box: with fabric flowers or self-adhesive craft foam shapes or rhinestones.

Have fun!

Take from the PepMelon Jumbo Box:

- 1 craft foam
- 1 fabric flowers
- 1 self-adhesive craft foam shapes
- 1 stass
