

## Easter bunny decoration

Take the template or the little bunny drawing on the second page and make a coaster or as an easter gift, a chocolate wrapping decoration. It may even be a napkin ring decor for Easter.

You can decorate a cut out craft foam bunny shape with anything from the box. But don't forget the pompoms bunny tail.

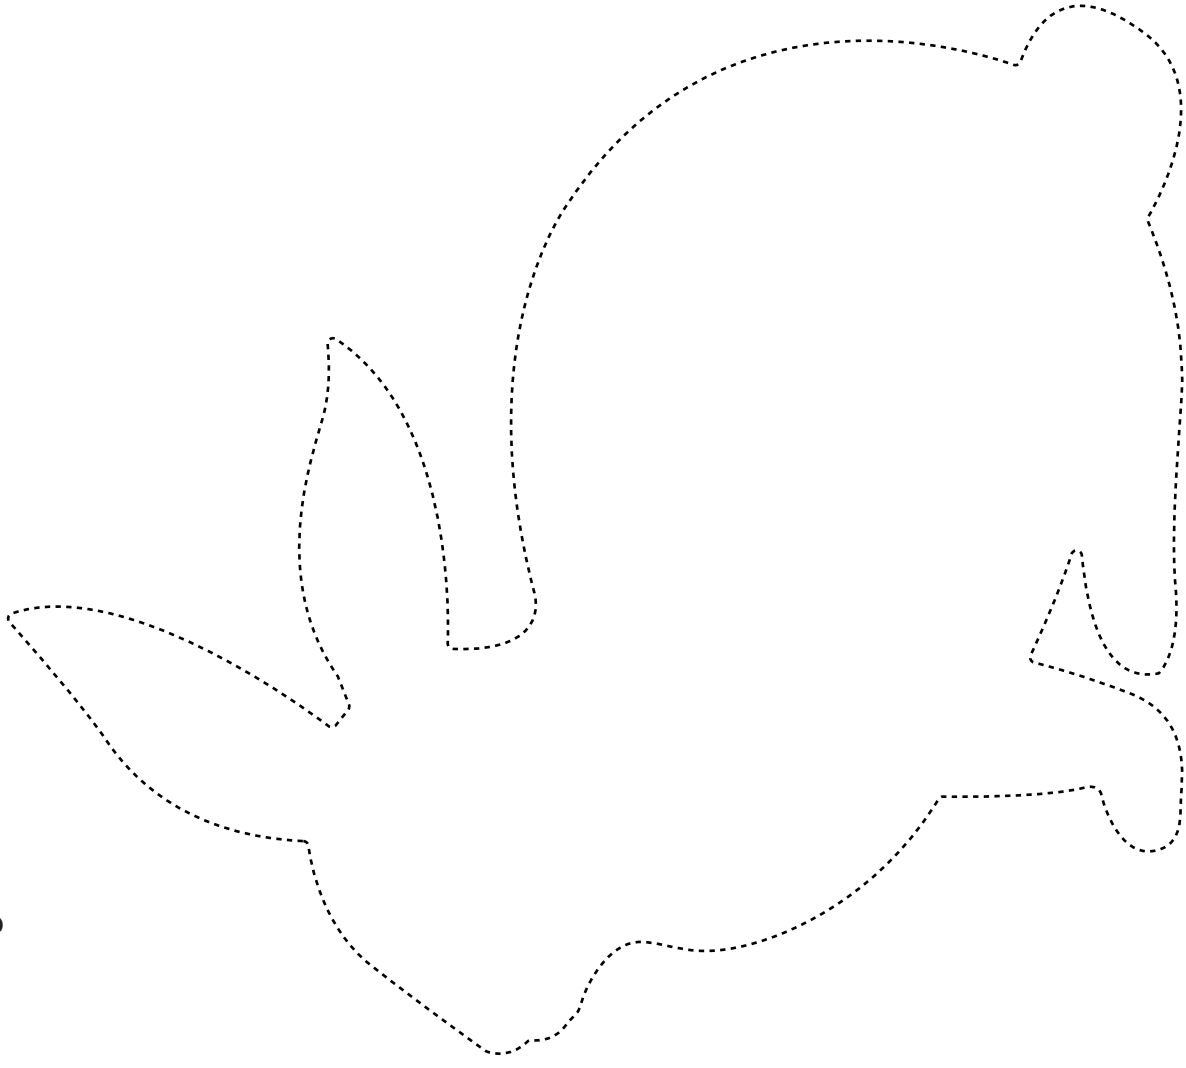

### Take from the PepMelon Jumbo Box:

- 1 craft foam for 1 bunny
- 1 pompom for 1 bunny, as tail
- 1 wiggly eye
- 1 rhinestone
- 1 glitter chenille stem
